

OPERATION BITCOIN

Preserve, Protect and Defend the right of the people to freely transact.

Our mission is to introduce, educate, equip and motivate military Veterans to help lead the world into the Bitcoin future. By teaching essential knowledge and skills, we will a) create extensive opportunities for Veterans and b) positively impact the global adoption of Bitcoin by creating quality leaders in the space.

THE PLAN

STAGE 1

EDUCATION

Powered by Mi Primer Bitcoin, train Veterans in-person, online, and via apps.

STAGE 2

CONNECTION

Connect Veterans with employment opportunities and internships in Bitcoin companies. Engage Veterans in the fast growing network of Bitcoin Veterans.

STAGE 3

BUSINESS INCUBATION

Assist entrepreneurial Veterans in the creation of Bitcoin-specific small businesses.

KEY OBJECTIVES FOR 2024
